Section 1 – Introduction

This directory provides a list of CHPW’s Medicare Advantage Plans network providers. CHPW is an HMO. We’re proud of our network across Washington state and the care they provide our members.

You must see providers in CHPW’s Medicare Advantage Plans network. Most services received outside of our service area will not be covered unless pre-approved. You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. Your PCP will refer you to a specialist if you need care they cannot give. Members must obtain a referral from their PCP or the Plan prior to receiving the service.

If you seek care from a PCP other than the provider or clinic to which you are assigned, the service must have a Plan-authorized PCP to PCP referral. CHPW shall waive referrals for members seen at a tribal clinic.

You do not need a referral from your PCP to see a provider if you need:

- Alternative care (acupuncture, naturopathy, and routine chiropractic). See ‘Health and Wellbeing’ in the Medical Benefits Chart in Chapter 4 of the Explanation of Coverage (EOC).
- Behavioral health services from network providers or out-of-network providers.
- Emergency services, which include ambulance services dispatched through 911 and post-stabilization services of a medical emergency condition from network providers or out-of-network providers.
- Flu shots and pneumonia vaccinations from network providers.
- Hearing aids; Only covered under the Dual Complete and Dual Select Plans. See Hearing Services supplemental benefit in the Medical Benefits Chart in Chapter 4 of the Explanation of Coverage (EOC).
- Kidney dialysis services at a Medicare-certified dialysis facility when the member is temporarily outside the plan’s service area.
- Routine dental care when covered under the specific Medicare Advantage Plan and network provider. See ‘Dental services (Supplemental)’ in the Medical Benefits Chart in Chapter 4 of the Explanation of Coverage (EOC).
- Routine vision eye exam when covered under the specific Medicare Advantage Plan and network provider. See ‘Vision care (supplemental)’ in the Medical Benefits Chart in Chapter 4 of the Explanation of Coverage (EOC).
- Routine vision hardware not covered by Original Medicare (eyeglasses, contacts) when covered under the specific Medicare Advantage Plan and network provider. See ‘Vision care (supplemental)’ in the Medical Benefits Chart in Chapter 4 of the Explanation of Coverage (EOC).

- Routine women’s health care, which includes breast exams, screening mammograms, Pap tests, and pelvic exams, from network providers.
- Urgently needed care from in-network providers or from out-of-network providers when network providers are temporarily unavailable or inaccessible; for example, when the member is temporarily outside of the plan’s service area.

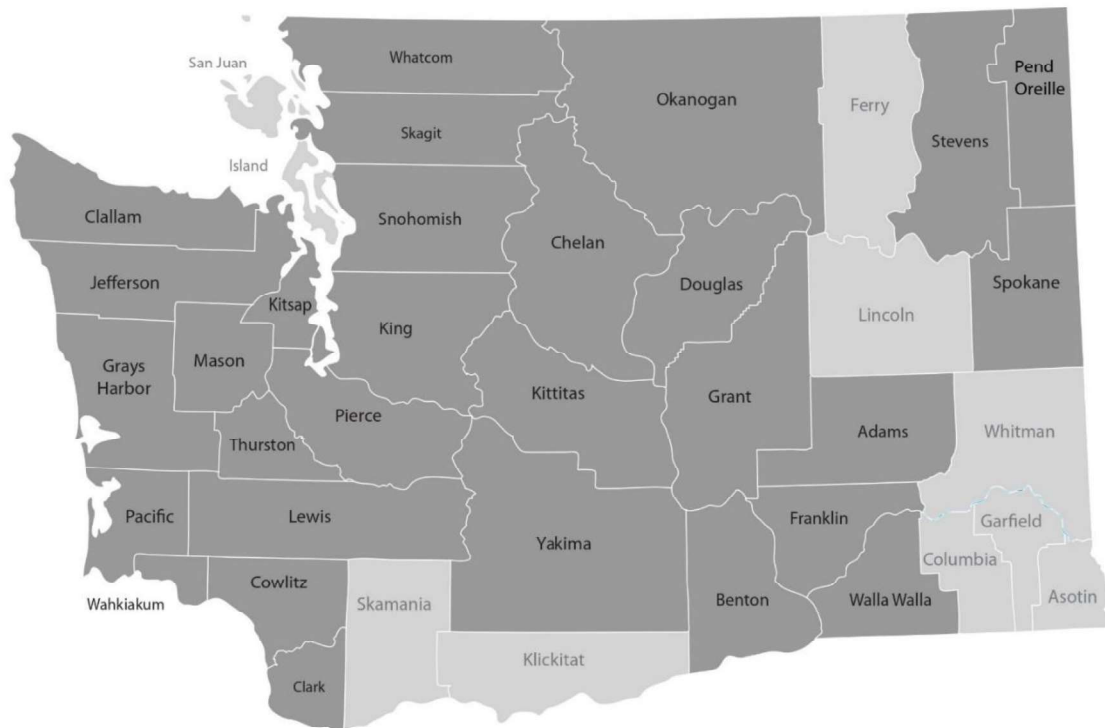

Please call customer service at 1-800-942-0247 (TTY: 711), from 8:00 a.m. to 8:00 p.m., 7 days a week, or see your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

You must use network providers, except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor CHPW Medicare Advantage Plan will be responsible for the costs.

What is the service area for CHPW Medicare Advantage Plan?

The counties in our service area are listed and shown in the map below:

Adams, Benton, Chelan, Clallam, Clark, Cowlitz, Douglas, Franklin, Grant, Grays Harbor, Jefferson, King, Kitsap, Kittitas, Lewis, Mason, Okanogan, Pacific, Pend Oreille, Pierce, Skagit, Snohomish, Spokane, Stevens, Thurston, Wahkiakum, Walla Walla, Whatcom, and Yakima.

How do you find CHPW Medicare Advantage Plan providers that serve your area?

Your relationship with your PCP is an important one. We strongly recommend that you choose a PCP close to home. Having your PCP nearby makes it easier to receive medical care and develop a trusting and open relationship.

If there is a particular specialist or hospital that you want to use, check to be sure that your PCP can make referrals to that specialist or hospital.

When making your choice, you might also consider if the PCP's office is open evenings and/or weekends, and what languages the PCP and staff speak. If you have specific concerns, such as disability access, you may want to call the provider's office to get the answers you need to help you choose the right PCP for you.

Your PCP is responsible for all your routine health care services and is the first provider you should call with any health concerns, except for in an emergency. (In an emergency, call 911.)

The name of your PCP and the office telephone number is printed on your membership ID card.

If you have questions about CHPW's Medicare Advantage Plans or require assistance in selecting a PCP, please call our Customer Service Department at 1-800-942-0247, from 8:00 a.m. to 8:00 p.m., 7 days a week. TTY users should call 711. You can also visit medicare.chpw.org.

Sección 1: Introducción

Este directorio ofrece una lista de los proveedores de la red de CHPW Medicare Advantage Plans. CHPW es una Organización para el Mantenimiento de la Salud (HMO). Estamos orgullosos de nuestra red en todo el estado de Washington y de la atención que brindan a nuestros miembros.

Debe atenderse con los proveedores de la red de CHPW Medicare Advantage Plans. La mayoría de los servicios que reciba fuera del área de servicio no estarán cubiertos a menos que estén preaprobados. Tendrá que elegir a uno de nuestros proveedores de la red que figuran en este directorio para que sea su proveedor de atención primaria (PCP). Por lo general, su PCP es quien debe proporcionarle sus servicios de atención médica.

Los proveedores de la red que figuran en este directorio aceptaron brindarle sus servicios de atención médica. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio. Sin embargo, es posible que algunos servicios requieran una referencia. Su PCP lo referirá a un especialista si necesita atención que este no puede darle. Los miembros deben obtener una referencia de su PCP o del plan antes de recibir el servicio.

Si desea recibir atención de un PCP que no sea el proveedor o la clínica que se le asignó, el servicio debe tener un PCP autorizado por el plan para obtener una referencia de PCP. Según CHPW, las referencias no serán necesarias para los miembros que se atiendan en una clínica tribal.

No necesita una referencia de su PCP para consultar a un proveedor en los siguientes casos:

- Cuidados alternativos (acupuntura, naturopatía y visitas quiroprácticas de rutina). Consulte la sección titulada "Salud y bienestar" en la Tabla de beneficios médicos, Capítulo 4 de la Explicación de cobertura (EOC).
- Servicios de salud conductual de proveedores de la red o proveedores fuera de la red.
- Servicios de emergencia, que incluyen servicios de ambulancia enviados a través del 911 y servicios posteriores a la estabilización de una condición de emergencia médica de proveedores de la red o fuera de la red.
- Vacunas antigripales y contra la neumonía colocadas por proveedores de la red.
- Audífonos; solo cubiertos con los planes Dual Complete y Dual Select. Consulte el beneficio complementario de servicios de audición en la Tabla de beneficios médicos, Capítulo 4 de la Explicación de cobertura (EOC).
- Servicios de diálisis renal en un centro de diálisis certificado por Medicare cuando el miembro está transitoriamente fuera del área de prestación de servicios del plan.
- Atención dental de rutina cuando está cubierta por el plan Medicare Advantage y el proveedor de la red específicos. Consulte la sección titulada "Servicios dentales (complementarios)" en la Tabla de beneficios médicos, Capítulo 4 de la Explicación de cobertura (EOC).
- Examen de la visión de rutina cuando está cubierto por el plan Medicare Advantage y el proveedor de la red específicos. Consulte la sección titulada "Atención de la visión (complementaria)" en la Tabla de beneficios médicos, Capítulo 4 de la Explicación de cobertura (EOC).

- Los artículos para la visión de rutina no están cubiertos por Original Medicare (anteojos, lentes de contacto) cuando están cubiertos por el plan Medicare Advantage y el proveedor de la red específicos. Consulte la sección titulada "Atención de la visión (complementaria)" en la Tabla de beneficios médicos, Capítulo 4 de la Explicación de cobertura (EOC).
- Atención médica de rutina para mujeres, que incluye exámenes de mamas, mamografías de detección, pruebas de Papanicolaou y exámenes pélvicos de proveedores de la red.
- Atención de urgencia de proveedores dentro de la red o fuera de la red cuando los proveedores de la red no están disponibles o no es posible comunicarse temporalmente; por ejemplo, cuando el miembro está transitoriamente fuera del área de servicio del plan.

Llame al Servicio al cliente al 1-800-942-0247 (TTY: 711), de 8:00 a.m. a 8:00 p.m., los 7 días de la semana o consulte su EOC para obtener más información, incluido el costo compartido que se aplica a los servicios fuera de la red.

Debe utilizar proveedores de la red, salvo en situaciones de emergencia o urgencia. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni CHPW Medicare Advantage Plan se harán cargo de los costos.

¿Cuál es el área de prestación de servicios de CHPW Medicare Advantage Plan?

Los condados que comprende nuestra área de prestación de servicios son los siguientes:

Adams, Benton, Chelan, Clallam, Clark, Cowlitz, Douglas, Franklin, Grant, Grays Harbor, Jefferson, King, Kittitas, Kitsap, Lewis, Mason, Okanogan, Pacific, Pend Oreille, Pierce, Skagit, Snohomish, Spokane, Stevens, Thurston, Wahkiakum, Walla Walla, Whatcom y Yakima.

¿Cómo encontrar proveedores de CHPW Medicare Advantage Plan que atiendan en su área?

Su relación con su PCP es importante. Le recomendamos especialmente que elija un PCP que se encuentre cerca de su hogar. Al tener a su PCP cerca de donde vive, le será más fácil recibir atención médica y desarrollar una relación abierta y confiable.

Si existe un especialista u hospital determinado que desee utilizar, compruebe que su PCP realice referencias a ese especialista u hospital.

Cuando tome su decisión, también puede tener en cuenta si el consultorio del PCP está abierto a la noche o durante los fines de semana y qué idiomas hablan el PCP y su personal. Si tiene inquietudes específicas, como el acceso para discapacitados, le recomendamos que llame al consultorio del proveedor para obtener las respuestas que necesita y poder elegir al PCP adecuado para usted.

Su PCP es responsable de todos sus servicios de atención médica de rutina, y su PCP es el primero al que debe llamar cuando tenga inquietudes de salud, excepto en una emergencia. El nombre de su PCP y el número de teléfono del consultorio están impresos en su tarjeta de identificación de miembro.

Si tiene preguntas sobre CHPW Medicare Advantage Plans o necesita asistencia para elegir un PCP, llame a nuestro departamento de Servicio al cliente al 1-800-942-0247, de 8:00 a. m. a 8:00 p. m., los 7 días de la semana. Los usuarios de TTY deben llamar al 711. También puede visitar medicare.chpw.org.
